STANDARD: Written policy, procedure and practice shall require the Community Supervision Agency upon notification that a juvenile has absconded from supervision to:

- Notify law enforcement within two (2) hours (verbally or by electronic means)
- Submit a Violation of Probation/Placement/Conditional Release and an Affidavit for Warrant to the Court and County/District Attorney within one (1) business day

All affidavits, request for warrants, warrants, arrest/pickup and detain orders shall include, but are not limited to the following:

- The juvenile has escaped from the Division of Juvenile Services custody
- The juvenile is subject to extradition per Interstate Compact for Juveniles
- The Division of Juvenile Services requests the juvenile be entered into the National Crime Information Center (NCIC)

Notification shall be given to law enforcement within twenty-four (24) hours upon a juvenile returning or has being located.

DISCUSSION: Kansas Statute does not specify how notification should be given to law enforcement, however local practice needs to insure the Community Supervision Agency can provide documentation that notification was provided. Notification should at a minimum be documented in a Community Agency Supervision Information System (CASIMS) chrono, and include the date, time, individual and agency the notification was given to.
